Verse 1

Thank You for Your grace that led me home
The love You bled on a hill
And peace that I've come to know
Thank You for Your life

Verse 2

Thank You for my past which You redeemed
Today where you walk with me
And all that I cannot yet see
You give abundant life

Pre-Chorus

And when I think of what You did
All else fails in the light of my Saviour's love
When I see the cross again
I realise that all I have is Yours

Chorus

It is Your blood that washed me clean

It is Your sacrifice that covered all my sin

And all I can say is thank You

It is Your blood that set me free

That I might boldly come to worship You my King

And all I can say is thank You

Not death nor life, not depth nor height

Not earthly power or heavenly might

No, nothing can remove us from Your love
